The Kia **EV5**

Movement that inspires

Say hi to Canada's new family-friendly EV SUV.

Say hi to the all-new Kia EV5 - the high five-worthy, 5-passenger, mid-size electric SUV designed with Canadians in mind. Featuring bold SUV looks, available all-wheel drive, family-friendly comfort and leading-edge driver assistance technologies, EV5 is your invitation to the future of electric mobility.

EV5 features roomy seating for five and genuine SUV cargo flexibility with up to 2,080L of space for a family's worth of groceries, luggage, sports gear or whatever you need for your daily rounds or weekend adventures.

EV5 is available with two V2L (Vehicle-to-Load) AC outlets - one on the outside so you can light up your camp site or crank up the sound for your beach party; and one on the inside to power your mobile office and securely recharge tools and other devices.*

Digital Key turns your smartphone into a secure key that unlocks the doors and starts the vehicle. A Share Key function lets you share access with others on their phones.[2]*

* Available feature. Visit kia.ca for full details.

A broad, sleek dashboard design and up to 30" of panoramic, driver-oriented digital displays give you uncompromising command and control of the EV5. You also enjoy a wide array of next-level amenities, including standard dual-zone automatic temperature control and ambient mood lighting.*

Column-style electronic shifter with an integrated start/stop button for added convenience.

Use your fingerprint as a key to start your EV5 and personalize the comfort settings.*

Available wireless charging keeps your smartphone fully charged while you're on the road.*

EV5's heads-up display (HUD) projects key driving information directly onto the windshield, just below your eyeline.*

A panoramic sunroof provides a brighter and airier cabin for all passengers.*

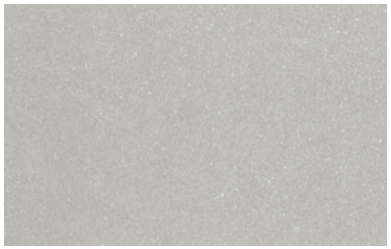

* Available feature. Visit kia.ca for full details.

Free for the first 3 months. See features page or visit kia.ca for full details.

Movement that inspires

1. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving and are not a substitute for safe driving practices. Some features may have technological limitations. For additional information regarding the various features, including their limitations and restrictions, please refer to your vehicle's Owner's Manual. 2. Compatible smartphone required. Data rates may apply, please check with your wireless service provider. For wireless charging, certain smartphones may require a wireless charging-compatible case. 3. When equipped with the navigation system, French voice commands may be limited. 4. Kia Connect is available only on select models and trims. Specific functionality may vary between models and trims. Destination Search is only available on vehicles with a navigation head unit. Certain functions are only accessible on the smartphone app and/or customer web portal and/or in-vehicle head unit. Service is free for the first three years from the day the vehicle was first registered. Monthly subscription may be applicable after the free period. Please consult your dealer for details. 5. SiriusXM satellite radio service includes 3 month trial and is available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. 6. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. 7. Apple, the Apple logo, CarPlay, and iPhone are trademarks of Apple Inc., registered in the US and other countries. App Store is a service mark of Apple Inc. 8. Google, Google Play, Google Maps, and Android Auto are trademarks of Google Inc. 9. HomeLink is a registered trademark of Johnson Controls, Inc. 10. Harman Kardon is a registered trademark of Harman International Industries, Inc. All rights reserved. 11. To achieve up to 80 percent charge from 10 percent in as little as 30 minutes, a level 3 DC fast charger (350Kw) is required to be used with the vehicle's fast charging port. Charge times indicated may vary depending on various factors including, but not limited to, charging conditions and vehicle model. Fast charging impacts battery durability. 12. Based on EPA estimates. Actual range and mileage will vary depending on various factors including, but not limited to, options, driving conditions, driving habits, battery age, and your vehicle's condition. 13. The Kia 5-year/100,000-km warranty includes various warranties and roadside assistance. Some restrictions apply. For more information call us at 1-877-542-2886 or visit to kia.ca.

We make every effort to ensure that the product information in this brochure is accurate at the time of printing. Occasional changes in production, that affect the standard or optional equipment included on a specific model, may occur after printing which will not be reflected in this brochure. Kia Canada Inc. reserves the right to make these changes without notice or obligation. For this reason, please rely on kia.ca or your local Kia dealer for the very latest product information. Some vehicles shown may include optional equipment or may not be exactly as shown.
