The all-new **Seltos**

Movement that inspires

The all-new Kia Seltos.

The all-new Kia Seltos is the crossover SUV for every era. With bold lines, capabilities and comfort inspired by Kia's award-winning SUVs, Seltos delivers adventure and attainable technology that appeals to every lifestyle.

International model shown.

Wireless convenience[1]
including standard Wireless Apple CarPlay® and Android Auto™ plus wireless phone charging.

Digital Key[1]
lets you use your smartphone as a secure key, allowing you to lock and unlock the doors and start the engine without the need for a keyfob.

Built with you in mind.

The all-new Kia Seltos is spacious and more comfortable, with next-generation infotainment technology and an available head-up display. And there's more, including a large, multifunctional centre console and an optimized airbag system for enhanced collision safety.

A panoramic command centre
features an expansive digital display combining two 12.3" touchscreens and a 5" climate control display[1]. Each system control and convenience is perfectly placed for maximum visibility and easy reach.

[1] Available feature. See features page or visit kia.ca for full details. International model shown.

Spacious comfort throughout.

Seltos comforts you with standard heated front seats and available features such as air-cooled front seats, heated rear seats, a heated steering wheel, a driver's seat memory function and the expertly tailored sound of a premium Harman/Kardon audio system.

The available panoramic sunroof
fills the cabin with natural light and provides an open-air driving experience for front and rear passengers.

For rear seat passengers
there's more legroom, new reclining seatbacks and available heated seats.

[1] Available feature. See features page or visit kia.ca for full details. International model shown.

A powerful design statement.

The all-new Kia Seltos brings a new and muscular look to the compact crossover, leaning heavily into the design cues of Kia's award-winning full size and electric SUVs. Bold and thoroughly modern, Seltos expresses a distinctly powerful presence from every angle.

Attention to every detail
Guided by Kia's Opposites United design direction, Seltos designers focused on a Dynamic Box typology featuring straight lines and well-defined corners to set it apart from every crossover in its class.

Then they elevated the look with a new iteration of Kia's signature Star Map front and rear lighting design and a selection of three geometrically styled aluminum alloy wheels.

[1] Available feature. See features page or visit kia.ca for full details. International model shown.

Advanced technology that protects.

Seltos comes with standard safety and technology features that are usually reserved for larger, more expensive vehicles. These include Advanced Driver Assistance Systems (ADAS) such as Smart Cruise Control with Stop & Go capability; safety features like rear side air-bags; wireless over-the-air (OTA) vehicle system updates; and much more.

Surround View Monitor[1,2]
displays the situation around your vehicle to assist you with safe parking.

Lane Following Assist[2]
uses a camera at the front windshield to detect lane markers on the road to help keep you in the centre of your lane.

Blind-Spot Collision-Avoidance Assist[2]
uses radar to detect vehicles in your blind spot and may apply braking power when an approaching vehicle is detected within a certain distance, next to or behind your vehicle.

Forward Collision-Avoidance Assist 2[1,2]
features a suite of advanced safety technologies, including Junction Crossing to warn of potential collisions at intersections, Lane Change Side and Lane Change Oncoming to support safer lane changes, and Evasive Steering Assist to help you steer around potential collision hazards.

Rear Cross-Traffic Avoidance Assist[2]
uses rear facing sensors to monitor left and right rear sides, and warn or even actively apply the brakes if there's traffic approaching from either side.

Features

LX FWD
